# JANUARY

**1. School reopened for students of Classes 10 and 12 in the first week of January.**

**2. On January 13, students and teachers celebrated the Tamil harvest festival Pongal, which takes its name from the dish made specially for the festival. The school was decorated with kolams (floor decorations made with rice flour) and pongal was made and distributed.**

**1. On January 26, Vidya Vanam celebrated the 73rd Republic Day virtually. The flag hoisting was conducted with COVID-19 related protocol in place and the National Anthem was sung.**

**2. On January 6, nurses and doctors from Primary Health Centre at Jambukandi conducted a vaccination camp at the school for students in the age group of 15-18.**

# FEBRUARY

1. On February 1, Vidya Vanam opened its doors to all classes after the government allowed schools to reopen.

2. The school organised Saturday sessions for teachers, which included training in choral singing by Dr. Sudha Raja, screening of motivational movies, talks by eminent personalities and a discussion at the end.

# MARCH

NBNP

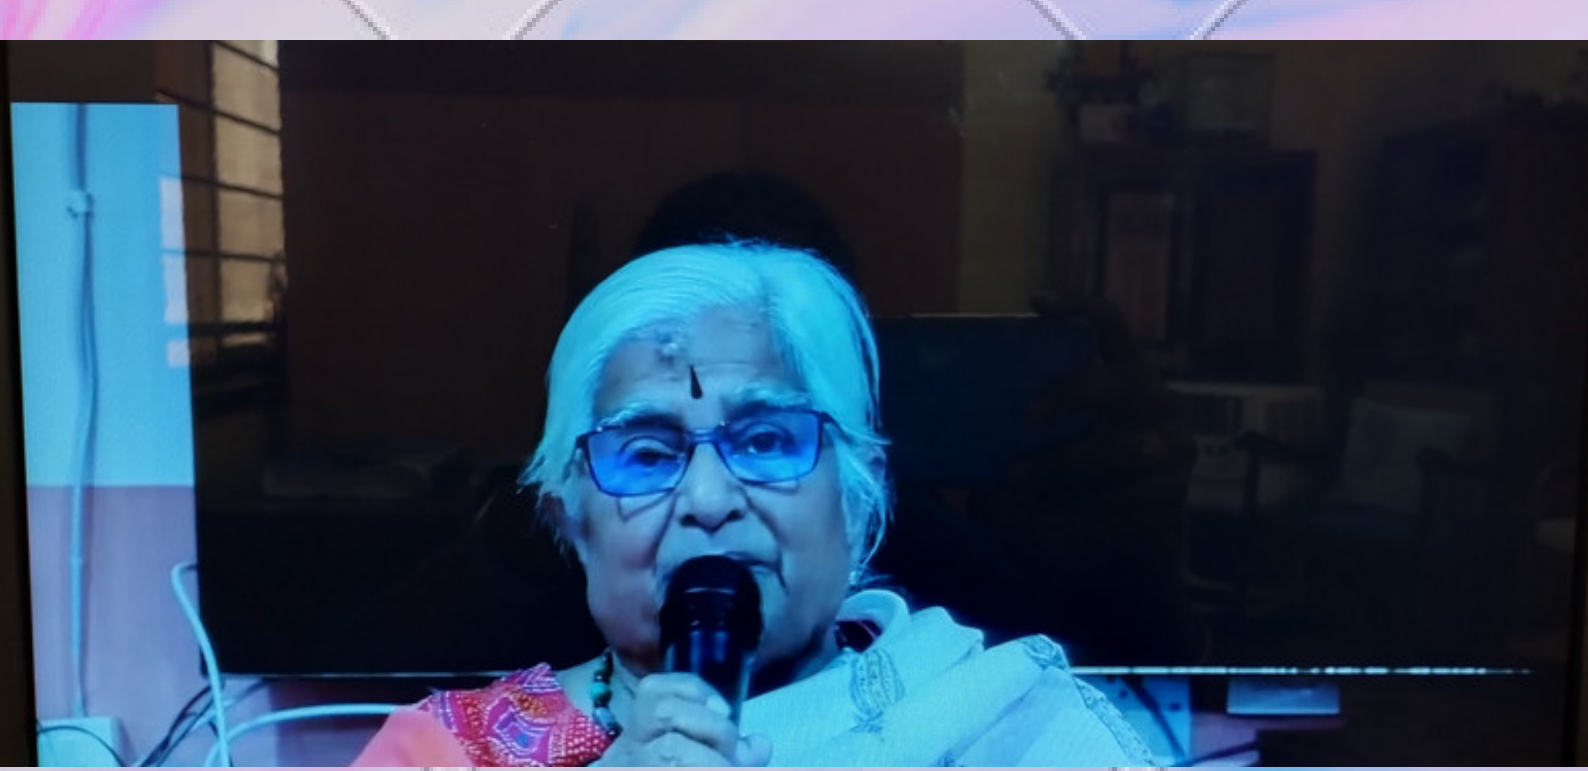

SACON

1. Students from Classes 6,7 & 8 went on an excursion to the Nilgris Biosphere Nature Park (NBNP) accompanied by Vice Principal Prema S. They learned about the various herbs found in the Nilgris and saw the different types of plants, trees, birds and insects. They also saw the signs of an elephant's visit to the area.

2. Students from Class 9 went on a trip to visit the Salim Ali Centre for Ornithology and Natural History (SACON) for a day of nature and art experience. They were accompanied by Vidya Vanam's Science and Social Science teachers. The students learnt about spotting and identifying birds. Well known wildlife artist Lenin Raj explained the role of art in promoting conservation.

**Prema Rangachary, Director, Vidya Vanam, was in conversation with musician and author T.M. Krishna about "Equity in Education" at the Asha India Conference held in Puducherry.**

# APRIL

## BIOLOGY

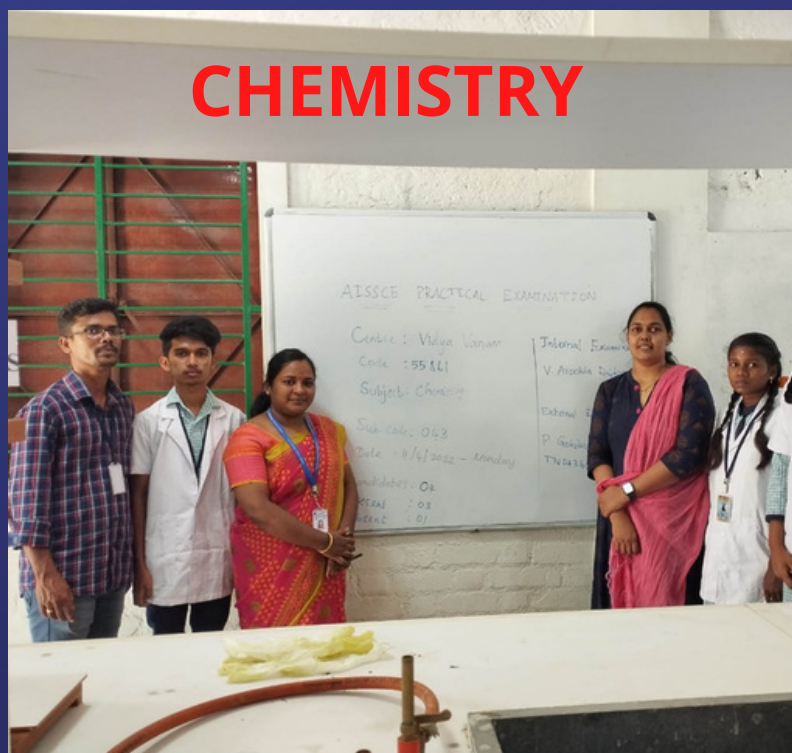

## POLITICAL SCIENCE

## PHSICAL EDUCATION

## CHEMISTRY

On April 1, Class 12 students appeared for the Central Board of Secondary Education (CBSE) Practical Exams. All the protocols were followed in the labs.

**School principals from across India spent a day with the teachers and students learning about Vidya Vanam's unique methodology.**
